

A legacy of integrity.

For three generations, the Crane family has been in the business of making quality siding products. The Crane heritage is grounded in the American tradition of hard work, pleasure in craftsmanship, and satisfaction in a job well done. Today, Crane is a category leader in innovation and is committed to sustainability, resulting in beautiful, durable products you can depend on and be proud of.

True-grain wood finish gives your home a beautiful, authentic, soft wood texture.

Elevate your exterior.

Give your home an appealing appearance that's sure to endure with **American Dream™ Edge**. With its exclusive WindBracer® wind-lock technology and durable profiles, American Dream Edge ensures that your home will maintain its beautiful, authentic, soft wood texture and finish. Exterior Portfolio has significantly enhanced American Dream Edge to make it the best value on the market. Available in Double 4", Double 4" Dutchlap, and Double 5" Dutchlap, there's an alluring American Dream Edge style to give your home the exact look you want.

Exterior Portfolio® by Crane is more than beautiful, long lasting exterior products for your home. We believe in a sustainable future for everyone. For you, this means a home made from environmentally preferred materials. For us, it means cladding products offering benefits such as durability and low maintenance. All of our products provide a long service life that requires no harmful finishes. Because our commitment to the environment stretches from our home to yours, we engineer sustainable benefits into our product development process through innovations such as our **SmartTRACK™** moisture management system and our energy-saving, **SOLID CORE™** insulation.
