

## A legacy of integrity.

For three generations, the Crane family has been in the business of making quality siding products. The Crane heritage is grounded in the American tradition of hard work, pleasure in craftsmanship, and satisfaction in a job well done. Today, Crane is a category leader in innovation and is committed to sustainability, resulting in beautiful, durable products you can depend on and be proud of.

Crown Molding

## Amplify your home.

Enhance your home with the elegance of **Parkview's™** natural, low-luster cedargrain finish. Its secure, tight seams establish a continuous silhouette, eliminating unsightly gaps where panels overlap, creating beautiful lines that run the entire length of the house. Parkview will give your home an opulent appearance that will endure extreme weather conditions and retain its radiance season after season.

## Accents to make your home complete.

**Architectural Essentials™** are the decorative window and corner systems, trim boards, crown moldings and other details that pull your entire exterior together. Made to match the aesthetics, quality and efficiency of Exterior Portfolio® by Crane, its attractive, soft-brushed finish looks like real painted wood trim. Architectural Essentials cover every area of your home, providing the perfect final touch. Most Architectural Essentials™ Accessories are available in the same gorgeous color options as Parkview. All are engineered to fit smoothly with any Carolina Sands design style you choose.

Exterior Portfolio® by Crane is more than beautiful, long lasting exterior products for your home. We believe in a sustainable future for everyone. For you, this means a home made from environmentally preferred materials. For us, it means cladding products offering benefits such as durability and low maintenance. All of our products provide a long service life that requires no harmful finishes. Because our commitment to the environment stretches from our home to yours, we engineer sustainable benefits into our product development process through innovations such as our **SmartTRACK™** moisture management system and our energy-saving, **SOLID CORE™** insulation. To learn more, please visit [www.exteriorportfolio.com](http://www.exteriorportfolio.com).

ColorLife™ Fade Defense is an advanced color protection formula that utilizes BASF's Luvon S technology to keep siding color fresh and true for the life of the home.

Parkview is available in all 14 colors listed above. Architectural Essentials™ Accessories are available in up to 17 colors depending on the product line.
